

## CAMPING & ACCOMODATION

### FESTIVAL CAMPING

The campsite is situated in a beautiful location in Holmfirth, within the grounds of the Yorkshire Motorsport Festival. It has been selected for the fantastic views across Yorkshire and Holmfirth.

The Festival campsite is open 10am Monday 21st June to 10am Monday 28th June 2021.

The Festival campsite is equipped with toilet, shower facilities, elson point, waste recycling bins and water supply. We are pleased to be able to offer Camping, Caravan and Motorhome pitches and Caravan hire.

Please note: Barbecues and open fires of any sort will not be permitted, due to the close proximity of Saddleworth Moor. This will be rigorously imposed by the organisers.

The Festival offers a wide range of booking options, from staying for the weekend to booking a week and exploring everything Yorkshire has to offer. The pricing for camping includes site security, showers and toilets but does not include the entrance ticket to the Festival, which will need to be booked separately.

With so many entrants, car clubs and displays requiring camping, spaces are strictly limited and sold on a first-come-first-served basis. We expect the campsite to be fully booked.

Advanced Booking Only. Bookings will be available alongside ticket and merchandise sales on the YMSF store, coming soon. Email us at [info@ymsf.net](mailto:info@ymsf.net)

## TREATING THE COUNTRYSIDE WITH RESPECT

We will be operating a robust environmental policy, so please be aware when booking your camping. Our Festival campsite will have its security team to ensure you have a peaceful campsite and the Festival restrictions are applied. No BBQs, stoves or fires are permitted as we are so close to Saddleworth Moors. Disposable tenting is not allowed. Please recycle your rubbish in containers supplied.
